

METH

NOT EVEN ONCE.

arizonamethproject.org

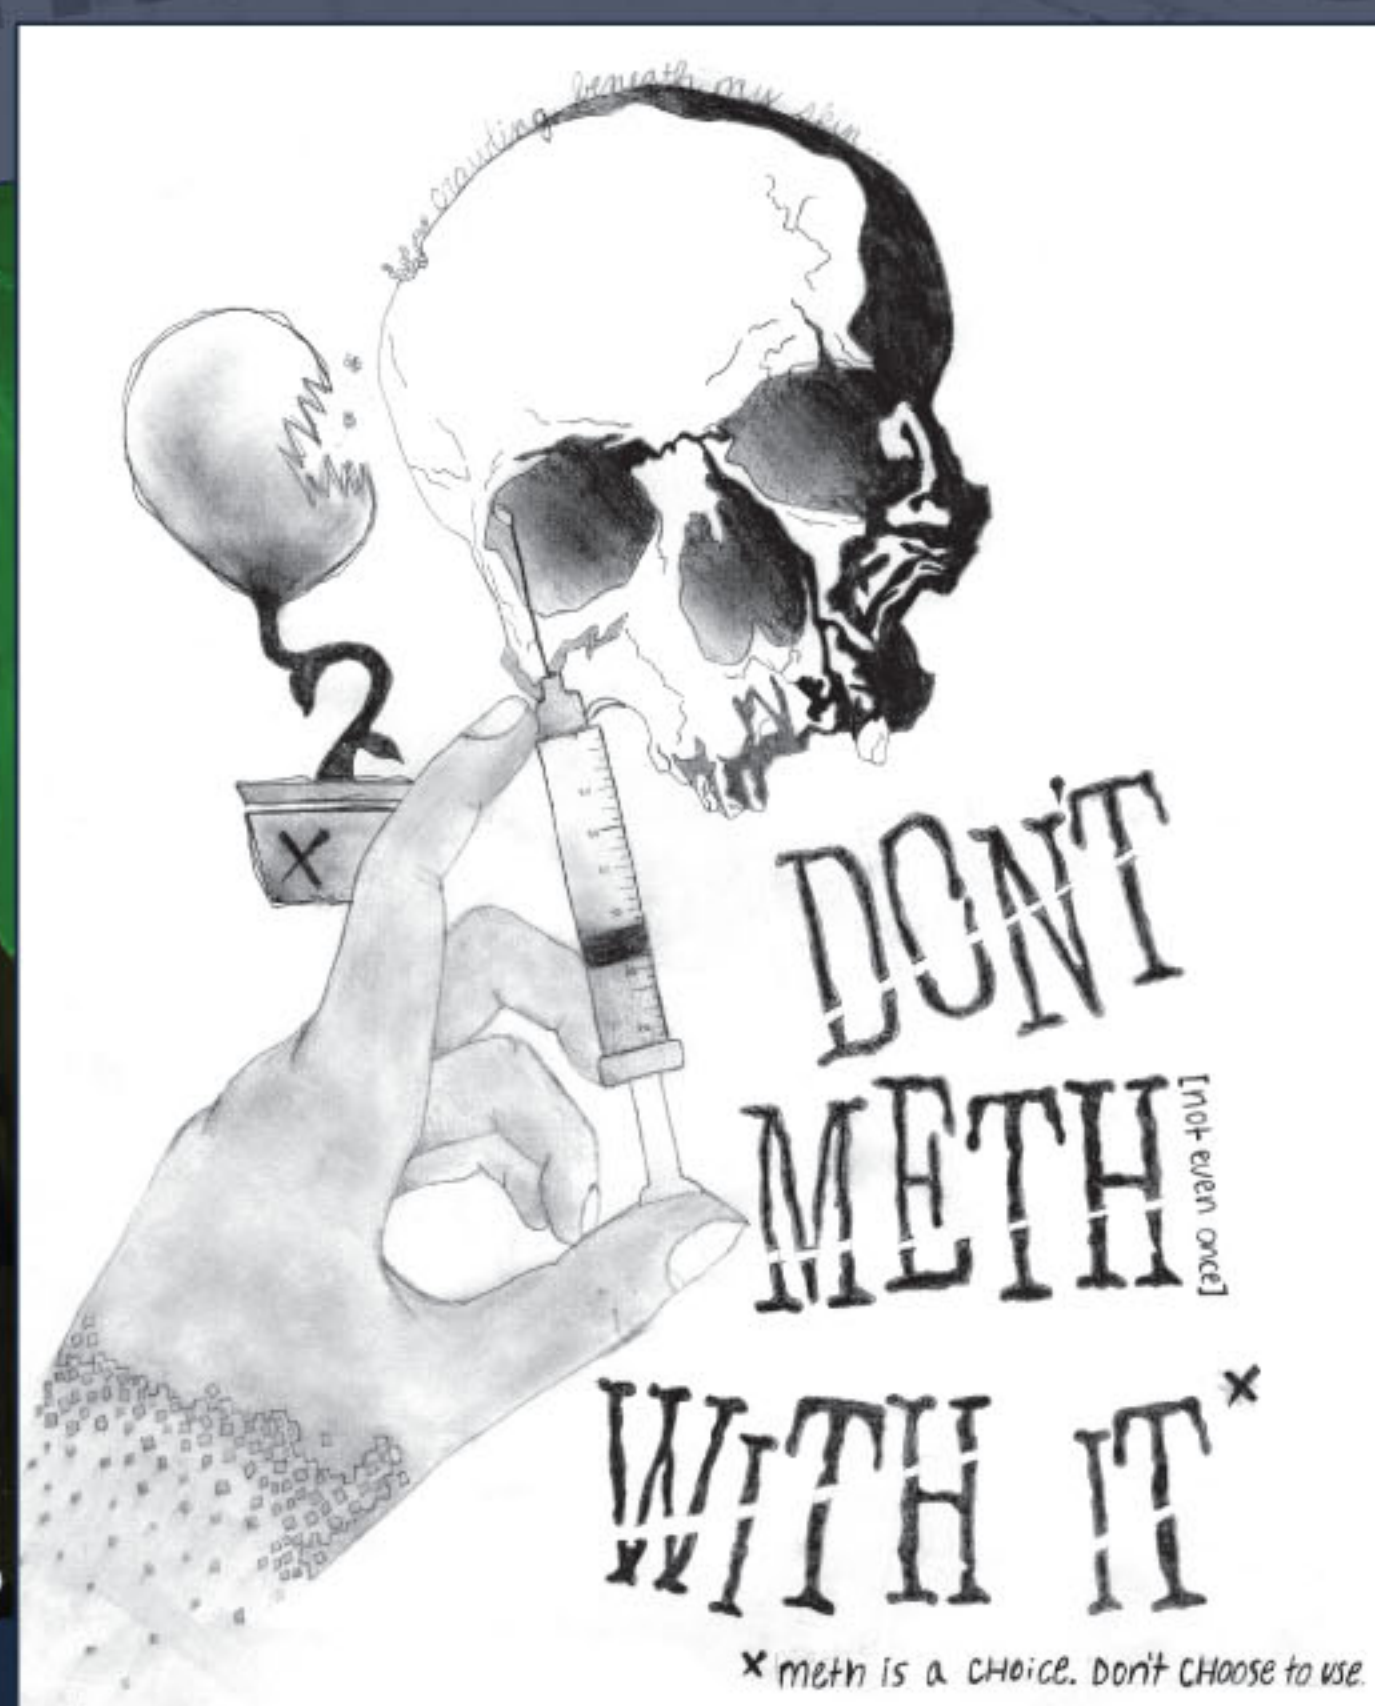

**YOU'LL NEVER WORRY ABOUT
LIPSTICK ON YOUR TEETH AGAIN.**

14 is the average age
that teens in Arizona
start using **METH**.

4.3% of all Arizona teens used **METH**
at least **ONCE**, more than
DOUBLE the national average.

2ND PLACE – Arely Escobar
Phoenix Preparatory Academy, Phoenix

1ST PLACE – Laurel Catanzariti
Heritage Middle School, Chino Valley

3RD PLACE – Yarlemi Inzunza
Phoenix Preparatory Academy, Phoenix

65% of all Arizona child abuse &
neglect cases involve **METH**.

419 **CHILDREN** were
rescued from **METH LABS**
in Arizona from 2000-2006.
